In-Person/ZOOM Meetings

5/21/2021: via ZOOM

6/04/2021: In-Person/Zoom

In-person Meeting will be at Kris Myers house. Due to covid restrictions still in place and to keep things simple for Kris, please note the following:

- 1. Each person attending will be responsible for bringing their own food and beverage.**
- 2. We will wear masks during the meeting and social distance as much as possible.**

Feedback from 1st In-Person/ZOOM Meeting:

It's helpful to allow people at least 5 seconds to react to conditions before prompting them again to unmute. It's not helpful for multiple people to issue those prompts.

Service Opportunities

Clean Creeks Coalition

The Rotary club of San Jose Silicon Valley joined with the Clean Creek Coalition For a work party on the Los Gatos River And nearby parking lot. Some of our club members helped with this effort!! Thanks Carol Goedde, Janette Rosales and Lou Bash!

Dates will be published when additional clean ups are scheduled. Anyone interested should contact Janette Rosales.

Holiday Project at Grant School

Elf costumes are not required, but are loved by the kids, young and old.

The final report was submitted and approved so the Foundation will be prepared to submit another grant request for DDF Funds.

These funds are used to provide a gift bag (containing a book, toy and candy cane) cookies and a class photo to every student at Grant Elementary School during the Christmas season.

All club members are asked to participate with bagging the items, delivering the boxes, handing out cookies or the most exciting part of the project; giving the gifts to the students.

Little Free Libraries Project

Next Committee meeting May 27, 2021, 5:30pm. If anyone wants to participate, contact Carol or Janette. This is a project that will offer a lot of opportunity for members and friends to participate.

Hunger at Home May 29, 2021

Our club will be participating again on May 29, 2021. Volunteers who may not be able to stay for a full shift, are welcome to contribute 2 hours. Anyone interested should contact Brian Bianco to get on the list and receive general instructions.

Members of the club volunteered on June 5th. They stated the project was very well put together, efficient, clean and worthwhile. Our help did allow the boxing of veggies and fruit to be finished a little earlier than usual.
